1. Aims

- 1.1 The aim of this policy is to encourage students to attend The Magna Carta School every day (190 days per year). Attendance is the essential foundation to positive outcomes for all students and is therefore seen as everyone's responsibility in school. The Magna Carta School seeks to ensure that all of our students receive an education which maximises their opportunities and enables them to achieve their full academic potential. There is much clear evidence that demonstrates a strong link between good academic attainment and good attendance at school, therefore, good attendance and punctuality are a priority within the ethos of this school.
- 1.2 The school will provide a welcoming and caring environment whereby each member of the school community feels wanted and secure. All staff will work with students and their families to ensure that each student attends school regularly and punctually. The school will establish an effective system to monitor and track attendance and punctuality. It will also implement an effective system of incentives and rewards which acknowledges the efforts of students to improve their levels of attendance and punctuality and recognises consistently high levels of both. The school will challenge the behaviour of both students and their families who give low priority to attendance and punctuality.
- 1.3 Some students find it harder than others to attend school and therefore at all stages of improving attendance, the school and partners will work with students and parents to remove any barriers to attendance by building strong and trusting relationships and working

The Magna Carta School – Unity Schools Trust Attendance Policy

together to put the right support in place. Poor attendance may be an indicator of safeguarding concerns, unmet needs or wider vulnerabilities and will be considered within the school's safeguarding framework. Improving school attendance will be a concerted effort across all teaching and nonteaching staff in school, the trust and the governing body, the local authority, and other local partners.

- 1.4 We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:
- Promoting excellent attendance
 - Reducing absence, including persistent and severe absence
 - Ensuring every student has access to the full-time education to which they are entitled
 - Acting early to address patterns of absence
 - Building strong relationships with families to ensure students have the support in place to attend school
- 1.5 We will also promote and reward punctuality and attendance to school and lessons. Students are celebrated each week during their year group assembly for 100% attendance that week. Additional rewards are given at the end of each term for students who maintain 100% attendance or who have significantly improved their attendance.

2. Strategies for promoting and improving attendance

- 2.1 Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All members of the school community at The Magna Carta School work together to:
- **Expect** - Aspire to high standards of attendance from all students and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.
 - **Monitor** - Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.
 - **Listen and understand** - When a pattern is spotted, discuss with students and parents to listen to understand barriers to attendance and agree how all partners can work together to resolve them.
 - **Facilitate support** - Remove barriers in school and help students and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.
 - **Formalise support** - Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.

The Magna Carta School – Unity Schools Trust

Attendance Policy

- **Enforce** - Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention or prosecution to protect the student's right to an education.

The school recognises that some pupils, including those with SEND, mental health needs, a social worker, or other vulnerabilities, may face additional barriers to attendance and may require tailored support.

3. Legislation and guidance

3.1 This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE) which applies from 19th August 2024, and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

4. Roles and responsibilities

4.1 [Parental responsibilities](#)

Once parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

Parents have the primary responsibility to:

- Ensure that their child of compulsory school age attends school every day and on time, to fulfil the statutory requirement of registration;
- Make sure that their children leave home at a time that ensures that they arrive to school on time;
- Contact the school to report their child's absence before 8:30am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Ensure that, where possible, appointments for their child are made outside of the school day
- Provide the school with more than 1 emergency contact number for their child

The Magna Carta School – Unity Schools Trust Attendance Policy

- Ensure that their child strives for a 100% attendance and 'on time' punctuality record.
- Ensure that their child attends school as regularly as possible and works towards excellent attendance.

4.2 School's responsibilities

- Each form tutor is required to take an attendance register at the start of the morning session;
- All teachers are required to take a class register every lesson, with the period 4 register counting as registration for the afternoon session.
- The register shows whether the student is present, engaged in an approved educational activity off-site, or absent;
- If the student of compulsory school age is absent, the register must show whether the absence was authorised or unauthorised:
- Authorised absence is where the school has either given approval in advance for a student of compulsory school age to be away, or has accepted an explanation offered as satisfactory justification for absence;
- All other absences must be treated as unauthorised;
- Since all absences are to be treated as unauthorised unless and until a satisfactory explanation is accepted, procedures for chasing up explanations and amending registers will be consistently applied. These include phoning and writing to parents;
- The school will intervene and support students and parents where attendance patterns cause concern or where barriers to attendance are identified.

4.12 Students

Students are expected to:

 - Receiving regular reminders from tutors and subject teachers about the need for good attendance and punctuality.
 - Reminding their parents that the school's Attendance Officer should be contacted by phone or through Edulink on their first day of absence from school and then on each day of their child's absence, to confirm that they are still unfit to return to school.

5. Recording attendance

5.1 Attendance register

We will keep an attendance register and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment
- (See appendix 1 for the DfE attendance codes).

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a student is attending an approved educational activity
- The nature of circumstances where a student is unable to attend due to exceptional circumstances

Students must arrive in school by 8:35am on each school day for an 8:40am start. The register for the first session will be taken at 8:45am and will be kept open until 9:10am.

5.2 Unplanned absence

5.21 The Magna Carta School expects all students to have 100% attendance. We understand that a student may have the odd incident of illness and therefore the school encourages all students to strive for excellent attendance and punctuality. This requires student to have no more than 5 days of illness each academic year.

5.22 Where there is an unplanned absence, parents/carers are expected to contact the school by telephoning the school notifying the attendance team via Edulink on the first day of their child's absence by 8:30am and explain why their child is absent and when they are likely to return to school. Contact with the school is expected before 8:30am on each day of their child's absence to confirm that they are still unfit to return to school.

The Magna Carta School – Unity Schools Trust

Attendance Policy

- 5.23 The school will mark absence due to illness as authorised unless the student has an attendance of 95% or below, has received a stage 2 letter, or if the school has a genuine concern about the authenticity of the illness.
- 5.24 If the authenticity of the illness is in doubt, the school may ask the student's parent/carer to provide medical evidence, such as a letter from the doctor, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised. The Attendance Officer will enter the appropriate absence code in the SIMS register. If the period of absence is more than 5 consecutive days, then parents should provide medical or other documentary evidence to the Attendance Officer to explain why. The Attendance Officer will then inform the Year Team leader.
- 5.3 Planned absence
- 5.31 Parents/carers, have a legal responsibility to ensure their child's attendance at school. During the academic year, pupils are at school for 190 days and at home for 175 days. The Education (Pupil Registration) (England)(Amendment) Regulations 2013, states that the Principal may not grant any leave of absence during term time unless there are exceptional circumstances. Exceptional leave may be requested by parents by filling out the application for leave of absence form, which can be found within the noticeboard on Edulink and sent to schoolattendance@magnacarta.surrey.sch.uk at least 10 school days before the leave is requested. Exceptional leave may only be granted by the Principal. It will normally only be granted once in a student's compulsory period of schooling and for a maximum period of 5 school days and only in exceptional circumstances. Before granting leave, consideration will also be given to any examination periods or other important calendared events that will be missed if the leave were to be granted. Exceptional leave requests will not be granted for holiday absence. When a leave of absence is not requested by a parent/carer and a child is absent, within the 7 days preceding a school holiday and/or 7 days following a school holiday, The Magna Carta School will require parents/carers to provide evidence (e.g. medical evidence) to the school, in order for the absence to be considered for authorisation.
- 5.32 The student's parent/carer must also apply for other types of term-time absence, including religious observance, as far in advance as possible of the requested absence. However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.
- 5.33 A Penalty notice will be issued if a student has 10 sessions (5 days) of unauthorised absence in a rolling period of 10 school weeks (a school week means any week in which there is at least one school session). This can include any combination of unauthorised absence (e.g. 4 sessions of unauthorised leave taken in term time plus 6 sessions of arriving late after the register closes all within 10 school weeks). These sessions can be consecutive (e.g. 10 sessions of unauthorised leave in one week) or not (e.g. 6 sessions of unauthorised absence taken in 1 week and 1 per week for the next 4 weeks). The period of 10 school weeks can

The Magna Carta School – Unity Schools Trust

Attendance Policy

also span different terms or school years (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).

- 5.34 If parents and/or carers have not incurred a penalty notice relating to the child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carers per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against parents and/or carers in the Magistrates Court.
- 5.35 If parents and/or carers have incurred a penalty notice relating to the child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carers per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against parents and/or carers in the Magistrates Court.
- 5.36 If parents and/or carers have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then they will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent/carers per child**, in the Magistrates Court under Section 444 Education Act 1996. The decision to issue penalty notices remains at the discretion of the Principal.
- 5.4 Low attendance
- 5.41 Where a pupil has low attendance, the school will investigate the reasons behind these absences. If supportive measures (including offering a meeting with the parent/carers) have not resulted in an improvement in the pupil's attendance and there are at least 10 unauthorised absences in the previous 10 school weeks, the school will issue a Notice to Improve to the parent/carers. Attendance will then be monitored by the school for a maximum of 15 school days, the school will then request Surrey County Council to issue a penalty notice to the parent/carers. Each parent/carers will be liable to receive a penalty notice.
- 5.42 If parents and/or carers have not incurred a penalty notice relating to the child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carers per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against parents and/or carers in the Magistrates Court.
- 5.43 If parents and/or carers have incurred a penalty notice relating to the child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty

notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carers per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against parents and/or carers in the Magistrates Court. The decision to issue a penalty notices remains at the discretion of the Principal.

5.44 Voluntary Support

When a child's attendance is identified as becoming a concern, a member of the pastoral or attendance team will contact the family to offer voluntary support and guidance. Parents/carers will also receive advice, guidance and signposting to appropriate support services where required.

5.5 Formal support

5.51 The law protects a pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents. Below are the stages of formal support that may take place when a student has low attendance and when voluntary support has not improved the student's attendance.

5.52 **Stage 1:** An initial meeting will be offered to discover the reasons behind absences and to offer support which may include a referral to another agency such as children services. An attendance contract will be created. An attendance contract is a formal written agreement between the school and the parent/carers.

Stage 2: If the child's attendance continues to decline further and/or the parents/carers are not engaging with the school, the school will issue a Penalty Notice warning letter and monitor the attendance for a maximum of 15 school days.

Stage 3: If there is insufficient improvement, the school will ask Surrey County Council to issue a penalty notice per child, per parent/carers.

Stage 4: If the child's attendance continues to decline after Surrey County Council have issue the first penalty notice, the school will repeat the support stages 1, 2 and 3 as described above. However, if after a second penalty notice is issued by Surrey County Council within a 3-year period, the child's attendance continues to decline, the school will ask Surrey County Council to pursue further legal action (See figure 1 below). More detail on surrounding Penalty Notices can be found in section 2.3 and section 2.4 of this policy.

5.6 Reduced Timetables

Reduced timetables will not be used as a behaviour management tool. They will only be implemented as a short-term supportive intervention where this is in the best interests of the student, for example, to support reintegration or meet identified needs. Any reduced timetable will be agreed with parents/carers, be time-limited, be regularly reviewed and include a clear plan for the return to full-time education.

5.7 Figure 1 – Providing support first before attendance legal intervention:

5.71 Unauthorised leave of absence in term time of 5 days/10 sessions or more, within a three month period (this does not have to be consecutive) without the authorisation of the school, may result in the issue of a Penalty Notice. These are issued by the Local Authority in accordance with Surrey County Council's Code of Conduct. The local authority can issue penalty notices for any unauthorised 'exceptional leave' to each parent/carers concerned. Please note that it will be per parent per child. Payment within 21 days of receipt of notice is £80 and £160 if paid after this period, but within 28 days. If the penalty notice remains unpaid, each parent will receive a summons to the Magistrates Court. The summons will be for the original offence of failing to ensure that your child attends school regularly. If unauthorised leave is repeated the local authority may summons each parent to court without a penalty notice being issued.

5.8 Lateness and punctuality

Creating and encouraging the habit of good punctuality to both lessons and to school reduces disruption to learning and leads to higher levels of achievement. An added benefit for students is that it develops a habit that is one of the key requirements for employers when they recruit new staff.

The Magna Carta School – Unity Schools Trust

Attendance Policy

The Magna Carta School promotes The Magna Carta Way by encouraging students to transition to lessons in an efficient manner. Poor punctuality will be sanctioned with a lunch time detention in most circumstances. Students are expected to be in school by 08:35am each morning. Morning registration closes at 9:10am.

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as unauthorised, using the appropriate code

5.9 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Send out an automated truancy notification to the parent/carer
- Where possible will call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may inform the DSL and/or call the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider sending letters home, involving the education welfare officer, Surrey Inclusion Officer, designated safeguarding lead and the police

5.10 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels via termly reports

- attendance notifications on Edulink
- attendance letters
- Parents can also proactively check the attendance of their child in real time on Edulink.

5.11 Children Missing in Education

Where a student's whereabouts are unknown or there are concerns that they may be missing education, the matter will be treated as a safeguarding concern. The school will follow the procedures set out in the Child Protection and Safeguarding Policy and make referrals to the Local Authority where appropriate.

6. Monitoring and analysing attendance data

6.1 Monitoring and analysing attendance

The school will:

- Analyse attendance and absence data at least every half term to identify students or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies and interventions to address these patterns
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the local governing council.

6.2 Reducing persistent and severe absence

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school. Students who are severely absent will receive enhanced support involving senior leaders, safeguarding staff and external agencies where appropriate.

The school will consider whether severe absence may indicate unmet SEND needs, safeguarding concerns, medical needs or wider family difficulties.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of students who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Ask Surrey County Council to issue Penalty notices or pursue further legal action where required

7. Monitoring arrangements

This policy will be reviewed at least every two years and sooner where legislation or guidance changes. At every review, the policy will be approved by the local governing council.

8. Links with other policies

This policy links to the following policies:

- Child Protection and Safeguarding Policy (Contains information on children missing out on education (CME) and pupils missing out on education (PMOOE)).
